# HIGHLIGHTS & FEATURES

## **CLASSIC PANNARELLO STEAMER**

It allows you the same approach of a traditional *barista*. You need just a jug of fresh milk and press the steam function. It takes a bit of practice, but once perfected, delivers ultimate control and delicious thick, creamy texture of the milk.

## **PROGRAMMABLE DISPENSING SYSTEM**

Each drink can be fully customized and you can store your preferred settings per coffee for future brews, such as strength, temperature and length.

## **REMOVABLE PATENTED BREWING GROUP**

It is the heart of the machine. It replicates the actions of a *barista* in an automatic mechanism. An ideal dose of coffee is tamped into a neatly compressed puck and it allows hot water to run through the puck at a suitable pressure for a great coffee.

## **100% CERAMIC GRINDER**

Anima is equipped with a robust 100% ceramic grinder that turns beans into a fine powder and extracts maximum flavours, without ever tasting burnt. It has 5 different settings of grind that grant you the finest grind for a full-bodied espresso or a coarser grind for a lighter tasting coffee.

## **OPTIAROMA**

You can select and memorize the amount of coffee required for your perfect Espresso: 5 options available, from 6,5 to 11,5 grams, to adjust the coffee strength to your taste.

## **15-BAR PUMP**

Pumps the water through the ground coffee at high pressure to ensure better-tasting crematopped espressos.

## **GROUND COFFEE OPTION**

This allows you to brew a different blend of coffee without changing the beans but using the ground coffee selected.

## **PROGRAMMABLE PRE-INFUSION**

Few seconds of pause between the first shower of hot water and the brewing process moisturises the coffee grounds, extracting the full bouquet of aromas, giving your Espresso a unique body and taste.

## **GAGGIA ADAPTING SYSTEM**

The innovative technology of the Gaggia Adapting System adjusts the grinding process, making sure the selected quantity of ground coffee is used for your espresso, whatever blend you choose. Just like a professional *barista*.
